

NDPTC and DURP invite you to a
“Third Thursday” Presentation

October 17, 4:30-6:30pm
UHM Saunders Hall Rm. 116

*Moving on up:
Adaptive migration and climate
justice in coastal Louisiana*

Marla Nelson, PhD, AICP, is a Professor of Planning and Urban Studies at the University of New Orleans where she coordinates the accredited Master of Urban and Regional Planning (MURP) program. Dr. Nelson's expertise is in inclusive, equitable development and adaptation. Dr. Nelson has published widely on post-disaster recovery, redevelopment and relocation policy.

Please join us for this presentation and lots of good discussion. Light refreshments provided.

Info/RSVP: Ricky Mashita, 956-0600
